

Technical drawing of a double door. The overall width is 1400 and the overall height is 2920. The drawing shows two doors with a central vertical hinge. Each door has a large central rectangular panel and four smaller rectangular panels (two above and two below the center). The panels are framed by multiple lines. A dimension line at the top indicates a width of 1400, and a dimension line on the left indicates a height of 2920. A small dimension '1' is shown at the top right and bottom right corners.

Technical drawing of a door, showing side and front views with dimensions.

Side View (Left):

- Overall height: 2920
- Top section width: 150
- Top section height: 50
